The Official Newsletter of the Shire of Lionsdale

The Quarter That Was

This past quarter (Oct-Dec) was another amazing time for the shire. Here just a few highlights
-A beautiful, heart warming night at the Shire Winter Potluck.
-St Crispin's not getting rained out

Be on the lookout for

- The continuing Banner project
- Community Practices coming to Maple Ridge
- More exciting Classes at practice
- New Shire tokens to be unveiled

Lord Bjornn Galdrskoldr

Vacant Positions on Council

The Shire currently has a number of positions on council that are vacant. Maybe you are a little leary about taking on a new job. Well I can tell you. Most of the jobs on council don't take much work at all. But they are important and need to be done. Having a seat on council does two great things. One it gives you a say in the future of our game here in Lionsdale. It also helps you meet some amazing people who often become great friends. All that is required of you is to hold an SCA membership and commit a few hours a month.

The SCA only works because people make things happen. As my grandma used to say, "many hands make light work".

No one works alone. If you decide to step up and take on any of these roles there will be loads of support not just here in Lionsdale but from the principality and even other branches as well. So what are you waiting for?
